MAKE CHECKS PAYABLE TO: Kane-DuPage Soil and Water Conservation District

I (we) understand the filing of this application allows the authorized representative of the Kane-DuPage Soil and Water Conservation District to visit and conduct an evaluation of the site.

Petitioner or Authorized Agent _____ Date _____

This opinion will be issued on a nondiscriminatory basis without regard to race, color, religion, sex, age, marital status, handicap, or national origin.

For the convenience of those who must comply with the provisions of the Illinois Soil and Water Conservation District Act, Section 22.02a (Illinois Compiled Statutes, Chapter 70, Paragraph 405, Section 22.02a), enacted December 3, 1971, effective July 1, 1972, we quote this section:

“The Soil and Water Conservation District shall make all natural resource information available to the appropriate county agency or municipality in the promulgation of zoning ordinances or variances. Any person who petitions any municipality or county agency in the district for variation, amendment, or other relief from that municipality’s or county’s zoning ordinance or who proposes to subdivide vacant or agricultural lands therein shall furnish a copy of such petition or proposal to the Soil and Water Conservation District. The Soil and Water Conservation District shall be given not more than 30 days from the time of receipt of the petition or proposal to issue its written opinion concerning the petition or proposal and submit the same to the appropriate county agency or municipality for further action.”
Added by Act approved December 3, 1971.

The amendment is designed to assist the unit of government considering the proposal. The natural resources and the environment are the main concerns in the development of the Land Use Opinion.

To facilitate compliance with the Act by land developers and others, Kane-DuPage Soil and Water Conservation District has formulated a set of guidelines and a standardized set of fees, as provided for in section 22.09 of this Act:

“The District may charge fees to any person who makes a request for services or receives benefits rendered by the District, or who causes or undertakes to cause the District to perform a function prescribed by this Act, including but not limited to any function prescribed by Section 22.02a of this Act, provided that such charges are uniform. The Directors shall maintain a uniform schedule for such fees and may from time to time revise such schedule. The charging of any such fees is uniformly charged and in accordance with a uniform schedule by any District to any person for such service or benefits or performance of any such functions prior to the effective date of this amendatory Act of 1975 is ratified.”

Findings of Fact Sheet – Special Use

- *The law requires that before the City can approve a Special Use, it must state “findings of fact” which show that the following standards will be met. As an applicant, the burden of proof is on you to show how the proposed use complies.*
- *Therefore, you should “make your case” by explaining specifically how your proposed Special Use will comply with each of the following standards.*

Name of Development

1. That the establishment, maintenance or operation of the special use will not be detrimental to or endanger the public health, safety, comfort or general welfare.

2. That the special use will not be injurious to the use and enjoyment of the property in the immediate vicinity for the purpose already permitted, nor substantially diminish or impair property values within the neighborhood.

3. That the establishment of the special use will not impede the normal and orderly development and improvement of the surrounding property for the uses permitted in the district.

4. That adequate utilities access roads, drainage and/or necessary facilities have been, or are being, provided.

5. That adequate measures have been, or will be, taken to provide ingress and egress so designed as to minimize traffic congestion in public streets.

6. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the City Council pursuant to the recommendations of the Plan Commission.
